Dress for the weather and activity, wear sunscreen and insect repellant, bring plenty of water and snacks, and remember to check for ticks.
Please call (301) 924-2127 or email scspnaturalist@gmail.com for more info.
For photos & more, visit: Friends of Seneca Creek State Park Facebook Page.
All events are all ages and free unless otherwise noted. Be advised some programs have applicable entrance fees.

Reptile Feeding
1 p.m. at the Park Office
Learn about Maryland’s reptiles and join our resident Corn Snake, Box Turtle, and Diamondback Terrapin for lunch.

Pontoon Tours
2 & 4 p.m. at the Boat Center
$4/person in addition to park entrance fees
Take a relaxing 45-minute boat ride on the "Blue Heron." Learn about history of the area and search for wildlife who call Clopper Lake home. Space is limited. Visit the Boat Center to reserve tickets.

Chesapeake Roving Rangers
11 a.m. – 4 p.m. at the Tire Playground
The Chesapeake Roving Ranger is a traveling visitor contact and information center staffed by the Chesapeake Conservancy and National Park Service. Join us to learn about the Chesapeake Bay Watershed.

Nature Crafts: Tree Cookie Pendants
10 a.m. – 12 p.m. at the Nature Shack by the Tire Playground
If you look closely at the wood of a tree, you can see the growth rings and read them to discover the history of that tree. We will learn about how to read tree rings and have sections of tree branches to take home. We will decorate them and turn them into pendants to wear or hang on your backpack.

Wacky Wednesday Wildlife Hike
6 p.m. Meet at Quail Ridge Picnic Area
Take a relaxing walk with enthusiastic naturalist Bonnie to discover what lurks under logs, crawls on trees or swims in the lake. This side of the lake has a beaver lodge, native orchids and sometimes otter scat. Please wear footwear appropriate for possibly muddy trails. Rain or thunder cancels this activity.

Grusendorf Log Cabin Open House & Tin Punch Craft
4 - 6 p.m. Next to the Park Office
Visit the 167 year old log farmhouse that was home to the Grusendorf family for over 100 years. Try your hand at making a tin punch craft to take home. The Open House will go on rain or shine, but rain cancels craft activity.

Nature Crafts: Craft Stick Harmonica
10 a.m. - 12 p.m. at the Nature Shack by the Tire Playground
Making your own entertainment is an important way to encourage your creativity. We have the materials to make a simple noise maker/musical instrument. Come make your own and experiment with the sounds they make.

Aquatic Mammals of Clopper Lake Hike
11 a.m. at Quail Ridge Picnic Area
Join us as we look for signs of beavers and otters who live in Clopper Lake. These are both nocturnal species, so we are unlikely to see them but will hike to one of the six beaver lodges around the lake and look for otter scat along the way.

Nature Crafts: Pinecone Owls
10 a.m. – 12 p.m. at the Nature Shack by the Tire Playground
We don’t see owls very often because they usually come out at night. But they are fascinating birds that are popular everywhere. Come learn a bit more about owls, and then make your own craft from a pinecone.

Take Me Fishing
8:30 a.m. – 10 a.m. at the Boat Center
Join an expert angler for a beginner's course in fishing. Rod, reels and bait will be supplied by the park, or you may bring your own. Non-tidal license is required for ages 16+ however we do not sell these at the park.

Wildlife Scavenger Hunt
5:30 p.m. at the Nature Shack by the Tire Playground
Listen for bird calls, flip over logs to look for insects and search for animal tracks in the soft mud by the lake. You will be surprised what you find when you tune into your different senses. Then, return to the Nature Shack for a prize!

Nature Crafts: Lady Bugs
10 a.m. – 12 p.m. at the Nature Shack by the Tire Playground
In August, Lady Bugs are emerging from their pupae and starting their adult life. Come learn about Lady Bugs and then do a Lady Bug craft using clay.
