

# **2025-2026 BOW HUNTING AT BRIDGETOWN PONDS NATURAL ENVIRONMENTAL AREA**

Bridgetown Ponds NEA consists of **134 acres, 100 of which are available for bow hunting** of white-tailed deer. Due to the limited acreage and the close proximity of residential areas, bow and arrow are the only weapons permitted. Hunting is prohibited on Sundays

The acreage available for hunting is clearly marked. Environmentally Sensitive Areas are located to the right of the road and marked with white "NO HUNTING, WEAPONS PROHIBITED" signs.

**FIVE (5) bow hunters are permitted each day from November 29, 2025, through January 31, 2026.** Hunters must sign-in AND out at the Hunter Bulletin Board located at the entrance gate at Bridgetown Ponds. If you are pursuing a deer after legal shooting time that you believe is alive, you must contact the Natural Resources Police at 410-260-8888.

DIRECTIONS FROM THE TUCKAHOE STATE PARK SHOP COMPLEX: Exit the driveway and turn right. Turn left onto Cherry Lane and go approximately seven (7) miles to the intersection with MD Rt. 312. Cross onto East Cherry Lane and go approximately 150 yards. The Bridgetown Ponds Area is on your left and marked by a sign and a brown steel gate. Parking is limited to the roadside only. Do not block gate.

For more information, contact the Tuckahoe State Park office at (410) 820-1668 or **[tuckahoe.statepark@maryland.gov](mailto:tuckahoe.statepark@maryland.gov)**.

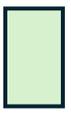

**In the event of an emergency, contact the  
DNR Communications Center at 1-410-260-8888**
