

Upper Eastern Shore Tuckahoe & Martinak State Parks

Wye Island & Sassafras Natural Resource Management Areas

SENIOR RANGERS

This program is geared toward senior citizens (+55) with an interest in learning more about our parks and nature so they can get active, visit their local state parks, and sharpen their sense of wonder! Six weekly sessions are led by a variety of instructors including rangers, historians, naturalists, and other Department of Natural Resources experts.

Activities Include:

Nature Art & Reflection

Archery

Bat Lecture & Night Hike

Old Growth Forest Walk

Native Plant Walk

Aviary Tour

\$20 (includes all 6 sessions)

October 6th - November 20th

Wednesdays at 10am

**Bat Lecture is Thursday 10/31 6pm
