SCALES & TALES

Reptile Wrap-Up (Ages 8+)

\$75 in-park, \$125 off-site, 30-45 minutes. Scaly creatures will captivate you as we separate fact from fiction and learn about the benefits of these often misunderstood creatures. Learn about Maryland's wonderfully diverse reptile population.

Scaly Storytime (Ages 2-6)

\$75 in-park, \$100 off-site, 30-45 minutes. Young audiences will enjoy meeting critters up close, while listening to a story. Add a craft: All craft materials provided for groups of 25 children or less for an additional \$25.

Private Aviary Tour (All Ages)

\$75, 45-60 minutes. Join park staff at Tuckahoe's Aviary for a tour and feeding demonstration while learning about Maryland's native birds of prey.

PROGRAM KITS

Tuckahoe State Park now offers a number of kits that are designed to be led by the group's leaders. This system works similar to a library system in which you select which program kit your group would like to do. Inside the kit will be detailed instructions along with all materials needed for the activity. The kits are designed for 25 people at a fee of \$40 (additional \$1 for each person over 25). Ranger led kits are \$75.

Owl Pellet Dissection (Ages 5+) ~30-45 minutes

Learn how to dissect owl pellets and figure out what owls eat.

Wildlife CSI (Ages 7+) ~30-45 minutes

Groups will study the scene, learning about animal tracks and scat, to help solve the mystery!

Trash Timeline (Ages 7+) ~30-45 minutes

Learn about the three R's: reduce, reuse, recycle! Participants will sort through and learn about the shelf life of everyday items.

Orienteering (Ages 7+) ~45-60 minutes

Learn how to use a compass, then use it to navigate your team through the course in the campground. (Loaner compasses provided.) Multiple orienteering programs available.
