

WOLF DEN RUN STATE PARK

Huckleberry Rocks Area

Fast Facts About Huckleberry Rocks

- 12.5 miles of trail available for motorized recreation, 6.5 miles open to full-size vehicles.
- The Wallow (Trail 0204) is a string of seasonally-filled depressions. You will get wet! Bypass via Trail 0202.
- Local history says the craggy terrain in The Pit is the result of failed exploration for minerals. Trail 0302 is a single-direction run along one of the resulting ridges.
- Race Track is the site of a former competitive course. Test yourself and your machine on the remains of the track's features.
- Trail 0106 is a steep rugged hill climb rising approx. 150 vertical feet. Can you make it to the top?
