Youth Group Camping Area
In addition to Tuckahoe’s 34 electric hook-up campsites, 20 non-electric sites, and 7 mini-cabins (all with central bathhouses), there are also 4 campsites available to youth groups. These sites are for groups of 30 or less, located in a wooded area just off the non-electric camping loop, each comes equipped with a fire ring, picnic tables and access to restroom facilities (no bathhouse). There is a $6.25 reservation fee per booking, and groups must possess a Maryland State Park Youth Group Pass (free, application available online). Reservations can be made by calling 1-888-432-2267 or online at https://parkreservations.maryland.gov/.

Tuckahoe’s Boathouse is open from Memorial Day to Labor Day for concessions (weekdays stop by the park office). Special events and program listings can be found either online (http://dnr.maryland.gov/publiclands/Pages/snt.aspx) or by checking the bulletin boards located throughout the park.

Program Kits

Tuckahoe State Park now offers a number of kits that are designed to be led by the group’s leaders. This system works similar to a library system in which you select which program kit your group would like to do. Inside the kit will be detailed instructions along with all materials needed for the activity. The kits are designed for 25 people at a fee of $40 (additional $1 for each person over 25). Each kit must be “reserved” at least 1 week in advance.

**Owl Pellet Dissection** (Ages 5+)
30-45 minutes Learn how to dissect owl pellets and figure out what owls eat.

**Wildlife CSI** (Ages 7+)
30-45 minutes Groups will study the scene, learning about animals tracks and scat, to help solve the mystery!

Program Kits

**Wings and Things** (All Ages)
$100 in-park, 45-60 minutes. Reptiles and birds illustrate how we often judge an animal’s value by the way it looks. Learn that all wildlife serve a purpose in nature. A good general program for all types of groups.

**Raptor Wrap-Up** (Ages 8+)
$100 in-park, 45 minutes. Prepare for an in-depth look at raptors as we explore their natural history, conservation topics, and tell the ‘tales’ of how each you brought into our care.

**Reptile Wrap-Up** (Ages 8+)
$75 in-park, 30-45 minutes. Scaly creatures will captivate you as we separate fact from fiction and learn about the benefits of these often misunderstood creatures. Learn about Maryland’s wonderfully diverse reptile populations.

**Scales & Tales**

Scales & Tales is an environmental education program that affords people the opportunity to see wildlife up close. The program uses non-teleasible birds of prey and reptiles to encourage people to enjoy and appreciate Maryland State Parks, and the wildlife living in them.
