

MWDI's Annual Box & Kit Advance Notice

November 29, 2023

Wood Duck Boxes

MWDI is once again aggregating orders with its lumber purchase to provide wholesale pricing to private program sponsors. Aaron Ward will now handle all the administration for MWDI.

To try and keep costs down, MWDI is seeking new sources for wood. It appears that assembled boxes will cost around \$60. To help determine our sourcing, volume needs, and prospective shipping costs, MWDI asks that you email Aaron at aaronward3838@gmail.com to indicate your prospective interest and the number of boxes/kits you would like. This indication is non-binding. A follow-up flyer will be sent soon with specific pricing and other details. At that time, prepayment will be necessary to confirm the order.

Please note that MWDI does not maintain any inventory to sell during the year.

Predator guards

Metal, cone shaped predator guards, can be obtained for \$22 + 6% tax (\$23.32 total) from Phoenix Metals for 4" poles. Prepayment is necessary. Contact Aaron (contact info below) or Brian (at Phoenix 410-633-0685 ext 18, BrianW@wemakeduct.com). Phoenix is located in Baltimore if pickup is desired, or shipping is extra. MWDI can assist in pickup/delivery of the guards as we have supply in Rock Hall, Salisbury, and Washington DC. For orders above 10 guards Phoenix will take credit card payment. For all other orders, a check **made out to Phoenix** should be mailed to Aaron Ward. He will collect funds for small orders for Phoenix. Address details to follow.

Send an email to Aaronward3838@gmail.com or text/call 410-251-3838. I would also be happy to discuss at 703-447-5142 (Cliff Brown) or via email (cliftonabrown@aol.com).
