

Free Public Hunting Permit - Waterfowl Hunting Guide 2025-2026

Maryland Department of Natural Resources – Wildlife and Heritage Service WATERFOWL SITE RESERVATION AVAILABILITY and REGULATIONS

A Free Public Hunting Permit is required for all designated public sites.

Gwynnbrook

(Central/Eastern Region): 7:30am-11:30am, August 18, 2025 - February 13, 2026 (Mon-Fri)

Myrtle Grove 8:00am-12:00pm, August 18, 2025 - February 13, 2026 (Mon-Fri)

(Southern Region): 8:00am-9:00am, February 17, 2026 - March 5, 2026 (Tuesdays and Fridays)

Reservation Rules and Limitations:

- No walk-in reservations are allowed for the first hour of office hours. Offices are closed all State Holidays.
- Hunters may call a maximum of 4 calendar days prior to the day of the hunt for waterfowl sites. If the 4th day in advance falls on a day the office is closed, reservations will be taken the next business day.
- A hunter may only make 2 site reservations per phone call, but no more than one reservation per day. A hunter may only hold one reservation for each individual day. This included being added to a site originally reserved by another hunter.
- Reservations left on the answering machine will not be honored or returned. Hunters may add additional hunters to an already reserved site on the answering machine (make sure to include the name the reservation is under, the site name/number, the reservation date, and the DNR ID and name of hunter you are adding to the site).
- If you are unable to hunt, you MUST cancel your reservation at least one business day in advance before the office closes so that another hunter may utilize the opportunity to hunt. **Cancellations MAY be left on the answering machine.**

WATERFOWL SITE REGULATIONS – ALL AREAS

All State, Federal, County, and Property regulations apply. Failure to comply with any of these rules or regulations will result in a fine and/or suspension from the program. See Free Public Hunting Permit Packet for full regulations and suspension info (Pg 2).

- The maximum number of hunters at a waterfowl site is FOUR.
- Hunters are not required to use provided pits or blinds. However, hunters must hunt within 50 feet of the blind or marker when hunting a **Waterfowl or Goose Site**. When hunting a **Goose Field or Pond Site**, a hunter may utilize any part of the field or pond.
- All hunters at a site must have the Free Public Hunting Permit and a reservation, regardless of age or residency.
- Decoys cannot be placed earlier than 1 hr. before shooting hours and must be removed by 1 hr. after shooting hours.
- On properties open for waterfowl hunting, no waterfowl hunting may occur within 250 yards of an established blind site. Waterfowl hunting on tidal shoreline is only permitted at established blind sites or in a Waterfowl Hunting Zone. Some
- Hunters are permitted to have a non-hunting guest accompany them. This person does not need a permit or reservation but must remain with the hunter and unarmed at all times.
- Hunters are responsible for locating and coordinating their own boat access. A map of boat ramps can be found online, called the Maryland Water Access Guide <http://dnr.maryland.gov/Boating/Pages/water-access/boatramps.aspx>

WATERFOWL LOTTERIES

Lotteries are now online. Visit the [Central Region page](#) or [Southern Region page](#) to enter.

Lottery applications will be available no later than September 1, 2025.

Lottery Rules/Procedures:

- Only one application may be submitted per individual. Individuals who submit more than one application will have ALL applications removed from the lottery.
- If drawn, successful applicant will be issued their 1st choice. If their 1st choice is full, they will be issued their 2nd choice, etc.
- Any remaining sites will be available for reservation 4 calendar days prior to the date of the hunt.
- Only successful applicants will be notified. Successful applicants must notify the office if you are adding hunters to the site.
- The Southern Region Waterfowl Lotteries include all sites that require reservations. First-come, first-served sites and Waterfowl Hunting Zones are not included in the lotteries and will operate as normal on lottery days.

WATERFOWL HUNTING ZONE REGULATIONS

It is legal to hunt from a boat at anchor or while standing on the natural bottom adjacent to certain properties as delineated on the maps of the area according to the following conditions:

- The Free Public Hunting Permit is required
- Hunters must remain at least 250 yds from the property line of any adjoining properties, or where the line would be if it were extended into the water. (Marked on shore of each property by a metal stake wrapped in reflective material and painted orange.)
- Hunters must remain at least 250 yds from any licensed stationary blind, blind site, or another person or party hunting waterfowl.
- Hunters must be no more than 300 yards from shore.
- A person may not guide hunting parties for economic gain in any waterfowl hunting zone.

The following areas have Waterfowl Hunting Zones:

- Calvert Cliffs State Park – The waters of the Chesapeake Bay. AP Zone for CAGO. Waterfowl hunting is only allowed in the Waterfowl Zone. Hunting from shore is prohibited.
- Cedar Point WMA – Excluding the waters of Kings Creek, Goose Creek, and a 250-yard radius around Cedar Point Blind #2. RP Zone for CAGO.
- Chapman State Park – **Boat access only** must remain below mean high tide line. Hunting from shore is prohibited. RP Zone for CAGO. Waterfowl hunting is only allowed in the Waterfowl Zone.
- Nanjemoy WMA – Potomac River shoreline, excluding a 250 yd radius around the accessible blind. RP Zone for CAGO.
- Newtowne Neck State Park – Excluding the waters of Breton Bay north of channel marker “5”. **Boat access only** must remain below mean high tide. Hunting from shore is prohibited. AP Zone for CAGO.
- St. Clement's Island State Park – All waters surrounding the island. AP Zone for CAGO.
- St. Inigoes State Forest – Excluding the waters of Smith Creek and Chicken Cock Creek. AP Zone for CAGO.
