

Waterfowl Hunting Guide 2021-2022

Maryland Department of Natural Resources – Wildlife and Heritage Service

WATERFOWL SITE RESERVATIONS

A Free Public Hunting Permit is required for all designated public sites.

Reservations are available:

7:30am-11:30am @Gwynnbrook

(Central/Eastern Region) 410-356-9272

8:00am-12:00pm @Myrtle Grove

(Southern/Western Region) 301-743-5161

****No walk-in reservations for the first hour.****

Both Offices: August 16, 2021 - February 15, 2022

Myrtle Grove: February 16, 2022- March 10, 2022

(Tuesdays and Fridays Only from 8am-9am)

Closed all State Holidays

Reservation Restrictions:

- Hunters may call a maximum of 4 calendar days prior to the day of the hunt.
- A hunter may only make 2 site reservations per phone call.
- A hunter may only hold one reservation for each individual day except for sites that are AM/PM reservations at Gunpowder Falls/North Point State Park. A hunter with an AM and PM reservation must choose 2 different sites.
- Reservations left on the answering machine will not be honored and calls will not be returned. Waterfowl hunters may add additional hunters to an already reserved site on the answering machine.
- If unable to hunt, you **MUST** cancel your reservation at least one business day in advance so that another hunter may utilize the opportunity to hunt. **Cancelations may be left on the answering machine.**

WATERFOWL SITE REGULATIONS – ALL AREAS

- The maximum number of hunters at a waterfowl site is FOUR.
- Hunters are not required to use provided pits or blinds. However, hunters must hunt within 50 feet of the blind or marker when reserving a **Waterfowl Site** or **Goose Site**. When reserving a **Goose Field** or **Pond Site**, a hunter may utilize any part of the field or pond.
- All hunters at a site must have a permit and a reservation, regardless of age.
- Decoys cannot be placed earlier than 1 hr before shooting hours and must be removed by 1 hr after shooting hours.
- On properties open for waterfowl hunting, no waterfowl hunting may occur within 250 yards of an established blind site. Waterfowl hunting on tidal shoreline is only permitted at established blind sites or a Waterfowl Hunting Zone.
- If sites are split by AM and PM, AM hunters must be off the site by noon and PM hunters may arrive at noon.
- Maryland Water Access Guide <http://dnr.maryland.gov/Boating/Pages/water-access/boatramps.aspx>

All State, Federal, County, and Property hunting regulations apply.

Failure to comply with any of these rules or regulations will result in a fine and/or suspension from the program.

See the Free Public Hunting Program Packet for suspension information (Page 3).

WATERFOWL HUNTING ZONE REGULATIONS

It is legal to hunt from a boat at anchor or while standing on the natural bottom adjacent to certain properties as delineated on the maps of the area according to the following conditions:

- The Free Public Hunting Permit is required
- Hunters must remain at least 250 yards from the property line of any adjoining properties, or where the line would be if it were extended into the water. (This point will be marked on shore of each property by a metal stake wrapped in reflective material and painted orange.)
- Hunters must remain at least 250 yards from any licensed stationary blind or blind site or another person or party hunting waterfowl.
- Hunters must be no more than 300 yards from shore.
- A person may not guide hunting parties for economic gain in any of these areas.

The following areas have Waterfowl Hunting Zones:

- Calvert Cliffs State Park – The waters of the Chesapeake Bay.
- Cedar Point Wildlife Management Area – Excluding the waters of Kings Creek, Goose Creek, and a 250 yard radius around Cedar Point Blind #2.
- Chapman State Park – **Boat access only** must remain below mean high tide. Hunting from shore is prohibited.
- Nanjemoy WMA – Excluding the 250 yard radius around the ADA accessible blind.
- Newtowne Neck State Park – Excluding the waters of Breton Bay north of channel marker “5”. **Boat access only** must remain below mean high tide. Hunting from shore is prohibited.
- St. Clement’s Island State Park
- St. Inigoes State Forest – Excluding the waters of Smith Creek and Chicken Cock Creek.

DESIGNATED WATERFOWL SITES (Page 1 of 3)

All designated sites require the Free Public Hunting Permit and reservation unless otherwise noted.
All sites open for all waterfowl seasons unless otherwise noted.

SOUTHERN REGION WATERFOWL LOTTERIES

Waterfowl Lottery Procedures: Reservations for the opening day of the October Duck Season, opening day of the November Duck Season, the opening day and first Saturday of the third Duck Season will be determined by lottery. The field blinds will be filled through a separate lottery for the opening day of the November Goose Season and the opening day and first Saturday of the December Goose Season. Opening day for blind sites that are not open on the day the December Duck and Goose Season open will be defined as the first day those sites are available that falls before the first Saturday. Application deadlines and drawing dates are listed on the applications. Hunters need not be present to be selected. The remaining available reservations will be filled through the reservation system.

A person's name may appear only once in the lottery drawing. We ask that you have the courtesy to submit applications for only those dates and locations that you can accept. If for some reason you are selected and cannot use the permit, please call and cancel so it can be assigned to another hunter.

Winners will be notified by the email on file. If no email is provided, then the notification will be sent by mail.

Failure to comply with any of the above could result in loss of privileges for the properties in this system.
