

Beyond Becoming an Outdoors-Woman

Archery Deer Hunt Workshop

November 7, 2025 and November 8, 2025

Becoming an Outdoors-Woman is hosting a Beyond BOW Archery Deer Hunt Workshop. The first day of the workshop includes classroom instruction on deer biology and management, Maryland deer hunting regulations, deer scouting and tracking, and public hunting land opportunities. The second day of the workshop is a practical hunt experience at Cedarville State Forest in Prince George's County. Participants will be placed in pre-selected locations in a ground blind or treestand.

This workshop is intended for women who have limited deer hunting experience but all are welcome to apply. Applicants will be chosen by lottery. However, BOW reserves the right to give preference to hunters with fewer years of hunting experience.

All participants are expected to provide their own archery gear (recurve, longbow, compound, and crossbows are all permitted). Participants must be familiar and proficient with their archery equipment. An optional archery range day will be scheduled for November 1st if any participants would like additional assistance prior to the hunt. Time and location to be determined.

Important Notes:

- Participants must be available to attend both days of the workshop.
- Participants will be chosen by lottery and remaining applicants will be placed on a waitlist.
- Lodging is not provided.
- Deer harvested during this hunt will count towards your total Maryland archery bag limit.
- **A valid Hunter Education Certificate, a 2025-2026 Maryland Hunting License, and an Archery Stamp are required to participate in this hunt.**
- **Participants must provide their own archery equipment for this hunt. Bows and arrows must meet the minimum requirements for deer hunting listed in the [Maryland Guide to Hunting and Trapping](#).**
