MARYLAND DNR WILD TURKEY OBSERVATION SURVEY FORM

SURVEY PERIOD: JULY 1 – AUGUST 31

OBSERVER INFORMATION		INSTRUCTIONS				
Name: Address: Phone: Email:		 Each time you see turkeys, record the date, county, and number of adult hens, poults (young of the year), & adult gobblers. Record ALL turkeys seen, not just broods. Use additional sheets if necessary. Avoid reporting duplicate sightings (e.g. if you see the same number of hens and poults in the same location several days in a row, only record once). If you cannot determine sex or age, record them in "UNKNOWN" column – that information is still important. Either mail or email the survey by September 10 to: Bob Long, MD DNR 828 B Airpax Rd. Suite 500 Cambridge, MD 21613 Email: bob.long@maryland.gov
