Threatened	70	19
In Need of Conservation	n/a	35
Endangered Extirpated	97	32
Total	431	184

Four Programs:

Science Program

Private Lands Conservation Program

Conservation Technology Program

Habitat Conservation Program

An aerial photograph of rolling green hills, likely a landscape of agricultural fields or a natural park. The hills are covered in vibrant green grass, and the lighting creates strong shadows and highlights, emphasizing the undulating terrain. The text is overlaid on the left side of the image in a white, serif font.

Private Lands Conservation Program

Farm Bill Coordination

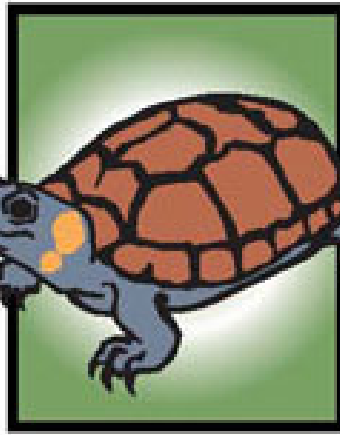

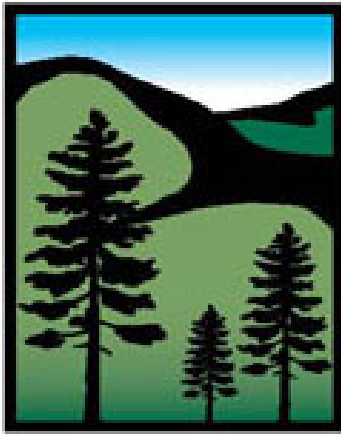

's
CREP Partnership
Conservation Reserve Enhancement Program

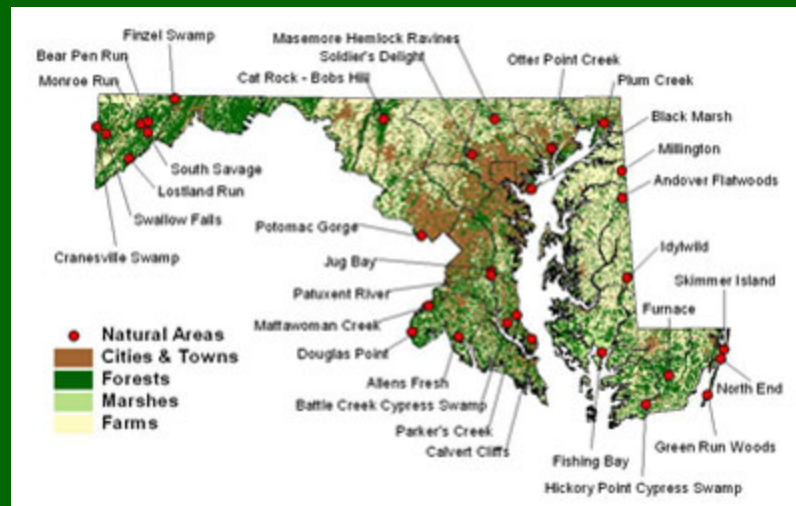

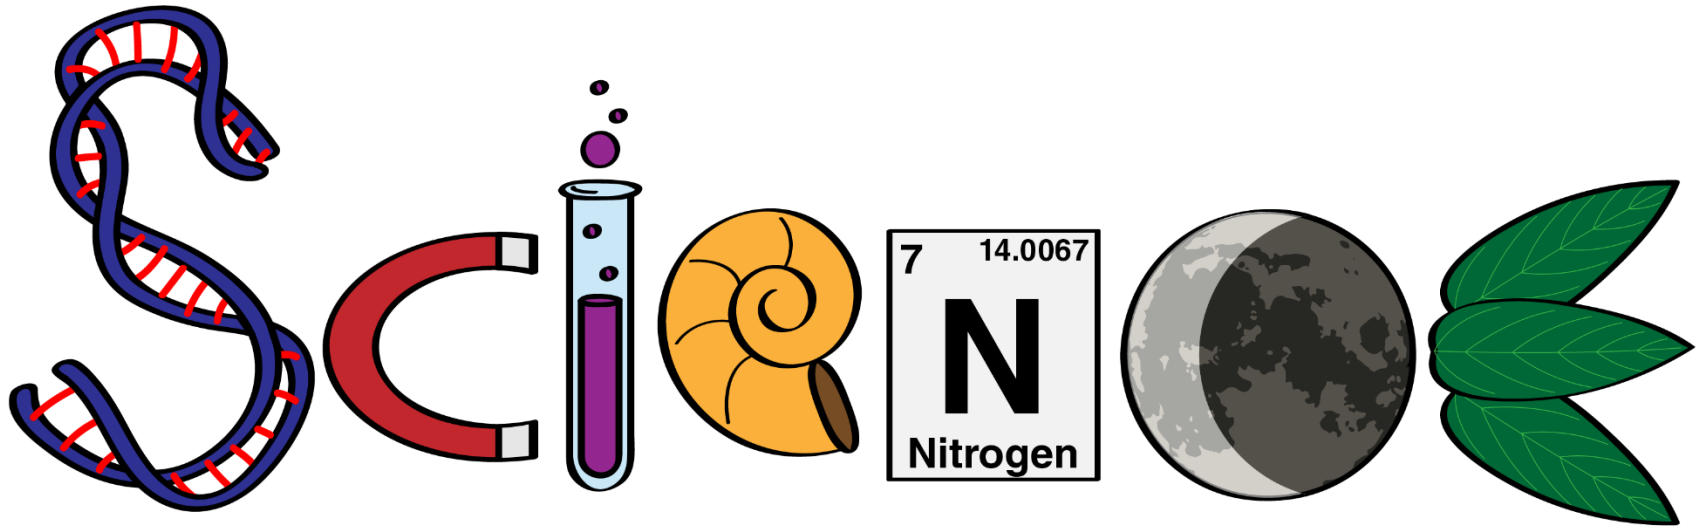

Conservation Technology Program

MARYLAND Natural Areas

Science Program

Habitat Restoration

Species Management
