MARYLAND FOREST SERVICE WILDLAND FIRE CREW 2024 PACK TEST & REFRESHER

The Maryland Forest Service Fire Management Staff is accepting applications for the Work Capacity (Pack) Test and RT-130 Annual Fireline Safety Refresher training for Agency and Wildland Fire Crew members.

All participants applying for the pack test will be required to complete the Health Screening Questionnaire (HSQ). The HSQ will be evaluated by an agency administrator to determine if medical clearance is required prior to the Pack test. Participants will also be required to sign an Informed Consent form the day of the test.

All candidates must apply online. The Pack Test will have 3 time slots available at 0900, 1000, & 1100 and you should arrive at least 15 minutes prior to your scheduled time. The RT-130 Annual Refresher will be 1230 – 1630.

The pack test is a 3-mile hike, wearing a 45-pound pack that needs to be completed in 45 minutes. It is recommended that participants take part in some sort of physical fitness training prior to taking the pack test. Only individuals that intend to participate on out of state fire crews will be taking the test.

Dates & Locations (choose one):

Thursday, March 14, 2024 – Sandy Point State Park

Apply online at: <https://forms.gle/qv6pApaQBksx9Lku7>
